Additional collection rental terms

The conditions described below are agreed upon individually and may be considered for special cases. Please clarify information by phone +7 (846) 374-99-42, Alexey or by e-mail info@motos-of-war.ru

Minimum necessary conditions for the provision of the exhibit for rent:

- exhibits security (by the Lessee);
- insurance of exhibits, both for the time of transportation and for the time of exposition (beneficiary - the Lessor, payer under the insurance contract - the Lessee);
- contract of material responsibility (the value of the exhibit under the contract = the last highest auction price multiplied by 3)
- act of division of material responsibility on the territory of Motomir (on condition of delivery by the Lessee);
- delivery at the Lessee's expense (delivery is possible by the Lessor on market conditions).

The Full Rental Cost for one exhibit is calculated as:

cost for the first day + cost for the second day + cost for the third and subsequent daysⁱ

It is possible to provide an exhibit on favorable terms:

- Payment of the Minimum Rental Rate (to be discussed individually).
- Tenant's obligation to provide advertising services for the amount of the difference between the Full Rental Cost and the Minimum Rental Rate. Formats are subject to negotiation with mandatory submission by Tenant of price lists for appropriate types of placements signed and sealed by the media.
- Fulfillment of the minimum necessary conditions for the exhibits rent.

Ready to discuss cooperation options.
